About Us

Purity Cylinder Gases is an independent, family owned and operated gas and welding supply distributor with 14 locations throughout Michigan and Northern Indiana. Since 1938, we have been committed to providing superior quality products and service. All Purity employees must follow and promote our core values – perform work with integrity, be customer focused, have a positive attitude, value relationships, and be driven to succeed and grow.

Cryogenic Technician (Grand Rapids, MI) – The Cryogenic Technician is responsible for installing, servicing, and maintaining cryogenic equipment and specialized application equipment installations at third parties and our own facilities. First shift hours. Full time position. Benefits include: Health, Dental, 401K with company match retirement plan, and life insurance.

Send Resume to: hr@puritygas.com EOE

Delivery Route Driver (Grand Rapids, Lansing, MI and Elkhart, IN) – Deliver gases and welding supplies to customer sites daily, load and unload supplies, and process paperwork. First shift hours. Class A driver's license and experience preferred, but not necessary. Fulltime hourly position. Benefits include: Health, Dental, 401K with company match retirement plan, and life insurance. Send Resume to: hr@puritygas.com EOE

Outside Sales Representative (Muskegon, MI) - The Outside Sales Representative will serve our customers by promoting and selling products, creating value, and cultivating long-term relationships. Our ideal Outside Sales Representative should have a strong work ethic and enjoy being out in the field every day. Fulltime salary/commission Purity2! position. Benefits include: Health, Dental, 401K with company match retirement plan, and life insurance. Send Resume to: hr@puritygas.com EOE

Acetylene Plant Worker (Grand Rapids, MI) - The first responsibility of the Acetylene Plant Worker is to work in the acetylene plant, processing cylinders through the plant, operating and maintaining the plant equipment. The second responsibility of the Acetylene Plant Worker is to help in the Propane Plant, filling and re-qualifying cylinders. Fulltime hourly position. Benefits include: Health, Dental, 401K with company match retirement plan, and life insurance.
