

Are you looking to:

- Reduce your welder training time?
- Minimize spatter and rework?
- Maximize your operation's potential?

**Make Your Move to a new
Deltaweld® 350 and 500.**

Get more power, flexibility and capabilities to take on a wider range of jobs.

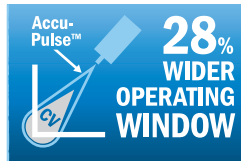

The Manufacturing Solution for welders of any skill level.

► Easy to Use

Deltaweld® systems remove complexity, making it easier for welders of any skill. Reduce welder training time and simplify parameter setup, ensuring high-quality welds.

► Legacy Meet Pulse

Spatter and rework add cost and slow down production. The pulsed MIG-capable Deltaweld system provides a 28% wider operating window and a more forgiving arc. Welders of any skill can get into production quicker.

► Ready to Weld

Reduce the time and hassle of setting up welding systems. The weld-ready Deltaweld ships as a complete package: just hook up your primary power, add gas, wire and a welding gun, and you're ready to weld.
