Band Saws

Cold Saws

Abrasive Saws

When buying your new saw:

1. Saw Type: Band Saw, Cold Saw, Abrasive Saw?
2. Electrical supply: : _____ volt _____ Phase?
3. What type of materials are being cut?
4. What size and shapes of material?
5. Will angled cuts be made, how often?
6. What are cut tolerances?
7. Do you want to do bundle cutting?
8. Typical use: production, short runs, maintenance?
9. Available space for cutting operations?
10. What is your budget?

Let's talk about your applications and what equipment will best fit your needs!
