eXtreme Cut™ Ceramic Cutting Wheels

- Extremely Fast Cutting - high performance ceramic grain.
- Advanced bonding system specially engineered to provide a long life and fast cut.
- Labor and time cost savings - much faster cutting rate compared to conventional cut-off wheels and fewer tool changes due to very long wheel life.
- Can be used on steel, stainless steel, and high tensile metals.
- *Special Contaminant-Free formula developed and optimized for stainless steel cutting (eXtreme Cut SS)*
